OBJECTIVE

Creative technology enthusiast with over 5+ years of hands-on experience in the field of computer programming. Enthusiastic commitment to ongoing learning, professional growth, and making a positive impact through technology and education. An asset to any team, possessing a track record of effectively identifying issues and crafting remedies. My goal is to utilize my proven abilities in leadership, troubleshooting, debugging, and programming to fulfill the requirements of my organization.

SKILLS AND STRENGTHS

- **Master the Command Line Interface (CLI)** - Knowing the advance Linux shell commands.
 - **Git and GitHub (GitLab, Heroku, etc)** - For the longest time, I had a surface-level understanding of git. I really got to understand git much better.
 - **Python/PHP/Javascript Programming Language** - Expertise in core Python/PHP/Javascript for REST API, Web Apps (Django, Laravel, etc), etc.
 - **APIs and Services Integration:** Ability to integrate third-party APIs and services into web applications for added functionality.
 - **Deployment and Hosting:** Familiarity with deploying applications on various hosting platforms like AWS, GCP, Heroku, or Netlify.
 - **Interpersonal Communication** - Building positive relationships and demonstrating openness and flexibility to being open to new ideas and flexible in work approaches.
 - **Open to Learning** - Knowledge is never-ending. I always open to learning new upgrades in the technology and keep themselves updated.
-

PROFESSIONAL ACCOMPLISHMENTS

- Freelance Data Scraping, Used the Twitter API to analyze, learn from, and interact with Tweets, Direct Messages, and Users. Access to grow, experiment, and innovate.
 - Laravel Developer, A full stack developer responsible for handling the development of complex enterprise applications (Projects: ABhome MyTalent and ABhome Elearning).
-

EDUCATION

- **Computer Science/Informatics**, Graduation Year (2024), **Universitas Nahdlatul Ulama Indonesia (Unusia)**, University in Central Jakarta.
- **Computer and Network Engineering**, Graduation Year (2020), **SMK Walisongo Pecangaan**, Vocational school in Pecangaan, Central Java.
